Appendix 3

GYLET PROJECT(S) PTE LTD / GYLET ELEVATOR CO PTE LTD/ GYLET LIFT(M&S) PTE LTD is committed to adding value to our clients by providing quality services in the industry. The Company operates Quality, Health & Safety Management System to the ISO 9001:2015, ISO 45001:2018 Standard.

The Top Management and all Staffs of the organization is committed to:

- Consistently meeting client's satisfaction through providing quality product and service excellence and ensuring that all our projects are always delivered on time, as specified by our clients.
- Promoting the use of process approach and risk-based thinking
- Prevent / Eliminate/Minimize/Control hazard and risk due to Occupational Health and Safety hazards.
- Encouraging consultation and participation of workers for QHS related issues
- Comply with all applicable legal and other requirements.
- Continual improvement of Quality, Occupational Health and Safety performance through monitoring and review of set objectives and targets.
- Communicate this policy to all the persons working for or on behalf of the organization and kept available for all relevant external parties and for public when required.
- Providing safe and healthy working condition for the prevention of work-related injury and ill health
- Work with contractors and suppliers to embrace the SGSecure movement
- Value the safety and security of our employees, visitors and customers and mitigate risks, including those posed by terrorism, by preparing our employees and protecting our workplace.
- Strong safety programme that protects the health, safety and security of its staff, its property and the public from risk of harm, including that arising from terrorism.
- Protect the safety of our people and maintaining business continuity by working with our stakeholders in sharing information, coordinating and act collaboratively in effectively implementing Safe Management Measures for fighting Covid-19
- Identifying, evaluating, and controlling risks, in relation to personal health (including mental well-being), and organisational factors

This QHS Policy is regularly reviewed in order to ensure its continuing suitability. The company also constantly monitors its Quality, Health and Safety performance and implements improvements when appropriate.
